PROFILE

Recent graduate with academic experience in programming, debugging, and building small-scale software projects. While new to the industry, I am eager to continue growing my skills and gaining real-world experience. I bring a customer-obsessed mindset from my retail background, along with strong communication and a commitment to delivering quality work. I'm excited to collaborate with a team where I can learn from experienced engineers and help deliver customer focused solutions seamlessly.

EMPLOYMENT HISTORY

Sep 2018 — Present	Customer Assistant - PFS, Tesco	Antrim
	Delivered friendly, efficient customer service and handled customer inquiries in a busy forecourt environment. Operated tills, processed payments, and managed fuel transactions accurately. Monitored the forecourt for safety, ensuring all health & safety and age-restricted sales procedures were followed. Restocked products, maintained store cleanliness, and supported daily operational tasks. Worked as part of a team to ensure smooth running of the petrol station and high customer satisfaction.
